Dear Dr. Burton,

I have received your records request for investigation report(s) completed by Dale Burke. I am denying your request because I am prohibited by Wis. Stat. section 19.36(10)(b) from releasing "Information relating to the current investigation of . . . possible misconduct connected with employment by an employee prior to disposition of the investigation."

The matters discussed in this investigation report have yet to be disposed of. Because I have denied your request, I am required to inform you that you may seek review of my decision from the local district attorney, the Wisconsin Attorney General, or through mandamus action in circuit court.

Please feel free to contact me with any questions.

Sincerely,

Paul Erickson

Public Information Officer
